Play. Grow. Belong.

Capital Fundraising Campaign

Raising funds in support of our community's youngest learners

Centre Wellington Child Care Co-op is launching a campaign to raise \$20,000 to fund essential facility upgrades and renovations for our child care centre. As a co-operative, we rely on the support of local families and businesses to create a nurturing, safe, and inspiring space for children to learn and grow.

We invite Centre Wellington businesses to join us in investing in our future because when we support our children, we strengthen our entire community.

About Us

At the Centre Wellington Child Care Co-op, we are committed to creating a collaborative environment where parents and qualified educators work together to maintain a nurturing, creative, safe, clean, and stimulating space for all children. We welcome and support every child, regardless of race, culture, or special needs, and aim to foster their physical, intellectual, social, and

emotional growth. Our goal is to help each child build a positive self-concept while offering meaningful support to their families.

Through collaborative partnerships with families and the community, we strive to create a program that supports the growth and well-being of every child in our care.
